### In Memoriam of Lile an fiach dubh (Beth Hoffman)

The Barony of Smoking Rocks mourns the loss of Our Dear Lile an fiach dubh.

As Proctor of the Pages School, she built the school from scratch creating activities that would not only help our young folks learn about the principles of the SCA, but have fun while they were doing it.

As a Heavy List Fighter, she had the tendency to surprise her opponents with her prowess and had a lot of fun in the process.

As a member of the Peasant's Guild she brought knowledge and laughter to everything she did.

As a member of the Barony she would always be there to ask "What can I do?"

However, she most cherished for her strength and grace. Lile showed all of us, from the most hardened fighter to the tiniest child, what true strength was and what true grace should be. She will be missed by all who knew of her and especially by those who called her friend.

There has been a request from the House Leviathan for missives about memories of Lile, to be given to the children for them to remember her by. Please send your missives to Mali or Kathy.
